

**Resident Benefit Program**  
**CLARKSVILLE BENEFIT REFUSAL FORM**

All residential utility accounts are eligible to be included in the Resident Benefit Program.

Participation helps ensure the availability of advanced life support ambulance service in our community. You also receive valuable benefits (see reverse for complete description). Benefits apply to all residents of the household(s) served by the participating account.

Utility account holders (the persons/entities who receive the bill) have the right to refuse participation in the Resident Benefit Program. Submitting a completed Refusal Form will result in a loss of benefits for everyone living at the residence(s) served by the account. Individuals who don't have benefits may be personally responsible for paying full charges (\$1,000 - \$1,200 + mileage) for LifeNet ambulance service.

**Completed forms must be received on or December 1, 2015 or at the time utility service is established.**

Late forms or those with incomplete, inaccurate or illegible data will not be processed.

Mail completed forms to:

City of Clarksville  
Attn: Resident Benefit Plan  
800 W. Main  
Clarksville, TX 75426

Utility account number \_\_\_\_\_

Utility service address (including city) \_\_\_\_\_

Utility customer name \_\_\_\_\_

Utility customer address (if different from service address) \_\_\_\_\_

Utility customer phone number \_\_\_\_\_

I understand that by submitting this completed form, all residents of the household(s) served by this utility account will lose ambulance benefits. **I understand this decision is binding and may be changed only during annual election periods.**

Signature \_\_\_\_\_ Date \_\_\_\_\_

**Do NOT return this form if you wish to retain benefits (see back).**  
**No action is required to participate in the Resident Benefit Program!**
