

# AED REQUEST FORM

## Western Payne County Ambulance Trust Authority

### Public Access Defibrillation Program

A limited number of Automated Electronic Defibrillators (AED) are available for placement in communities served by WPCATA and LifeNet, Inc. Preference will be given to AED recipients for locations which maximize population exposure and availability of the AED to the public.

Please complete this form and return to:

**LifeNet, Inc.**

For questions or assistance call: 405-707-0007

**2201 N. Boomer Rd**

Completed Form can be faxed to 405-707-0006

**Stillwater, OK 74074**
